Prepare any pie crust or dough recipe or use a refrigerated pre-made dough.

Step 1

Roll crust on a floured board. Cut dough or pastry into 6" diameter circles with the bottom of mold.

Step 2

Center the circle of dough on the bottom of an open dough press.

Spoon 4-5 tablespoons of filling one side of press. Do not over fill.

Brush edges with butter or egg wash.

Close pie mold and press to seal.

Step 6

Place pies on cookie sheet, brush tops with butter or egg wash. Slit or poke holes in the top to allow steam to vent. Bake per pastry instructions.
